

DJ SETS · MILWAUKEE & CHICAGO

mie

A songwriter in the booth.

mie brings the cinematic instinct behind her records to the decks: sets that build, break and transform across a night. Open format with a dark streak, from house, trance and electro for the floor to downtempo for the early hours, with the crowd favorites a room calls for.

The Sets

PEAK HOURS
House, trance, dance and EDM for full floors and late nights.

AFTER DARK
Darkwave, electro and alt-dance for nights that want shadow and spectacle.

OPEN FORMAT
Pop, throwbacks and crowd favorites, read from the room.

LOUNGE
Downtempo and electronic textures for cocktail hours and early sets.
